Markers on screenshots identify the primary controls or areas referenced in each step.

Sign In

The screenshot shows the login interface for Acme Jubilee. On the left is a dark navigation sidebar with the Acme Jubilee logo and menu items: START, Overview, Login (highlighted), and LEGAL. The main header has a 'Login' button and user profile icons. The central login form is titled 'Account Access' and 'Welcome back!'. It includes the Acme Jubilee logo, a welcome message, and instructions to sign in with an AJOWA email and password. The form has three numbered steps: 1. 'Email' label, 2. 'Email' input field, and 3. 'Password' input field. Below the password field is a 'Login' button and a 'Forgot password?' link.

Complaint Handling

Dear Residents,

As per the feedback received from our staff, they are currently experiencing a high workload due to complaint handling.

We request your support by raising all maintenance complaints through the AJOWA App instead of other channels. This will help us accurately assess the complaint volume, monitor staff workload, and ensure better tracking and timely resolution of issues.

Your cooperation is highly appreciated.

Regards,
AJOWA Team
